## EXPERIENCE

### United Scientific Group, Plano, TX — *Conference Technician and Secretary*

June 2020 - May 2023

Organized financial records for a Non-Profit, and was invited to participate in their Physics Conference in San Francisco as a Secretary. Helped scientists and conference directors at scientific conference events with everything they needed. This includes but is not limited to helping with technical issues.

### Nordstrom, Frisco, TX — *Customer Service Representative*

June 2022 - November 2022

As a Customer Service Representative at Nordstrom, I managed a large volume of inbound and outbound calls, emails, and chats with knowledge and efficiency. I conducted research with available resources to satisfy customer inquiries, and engaged with customers in an inviting, friendly, and professional manner to deliver exceptional experiences and nurture lasting relationships

### Saptalis Pharmaceuticals, Hauppauge, NY — *IT Summer Intern*

May 2023 - PRESENT

Assisted in the preparation of technical documents, such as environmental monitoring reports, stability summaries, and study protocols. Provided support for computer qualification studies, laboratory data acquisition systems, and employee access control systems. Assisted with manufacturing, filling, labelling, and cartooning of GMP commercial batches.

## EDUCATION

### Lebanon Trail High School, Frisco, TX — *High School Diploma*

August 2019 - May 2023

Attended Lebanon Trail High School and obtained a GPA of 4.1 through completing many rigorous Advanced Placement and Career and technical Courses.

## PROJECTS

### The Terra Evolved — [Website](#)

1st place in the FISD wide 2d video game competition. The Terra Evolved is a third-person side scroller on a pixel-like world that allows expression of creativity through means such as building, destroying, and surviving.
