  - 3.1 GitHub Profile Enhancement Strategies
4. LinkedIn Improvements
  - 4.1 LinkedIn Networking Expansion strategies
  - 4.2 Profile Improvements
5. Appendices
  - 5.1 Links to Profiles

## **1. Introduction**

This document is dedicated to housing the deliverables for the Career Readiness Workshops assignment. It has been structured to facilitate the review and assessment of the efforts undertaken in enhancing professional profiles and networking capabilities as directed in the workshop guidelines.

## **2. Resume Building**

### **2.1 Revised Resume**

[\(revised resume\)](#)

## **3. GitHub Profile Enhancement**

### **3.1 GitHub Profile Enhancement Strategies**

- Added a README.md for my profile, giving a brief description of my aspirations as a professional in the technology industry.
- Created an Avatar using ChatGPT 4's implementation of DALL-E that looks similar to me that I'm now using as a profile picture on GitHub.

## **4. LinkedIn Improvements**

### **4.1 LinkedIn Networking Expansion strategies**

- Connected with people whom I attended High School with and connections of theirs that are attending the same University as I.

- Connected with professionals that are mentoring me in the Chevron Mentorship Program

#### **4.2 Profile Improvements**

- Added two new projects for 'EV3 Rover Project', and 'NutriBot'
- Changed Profile Picture to something more recent
- Updated the Courses section
- Added descriptions to my Education section detailing my extracurriculars, Activities, and GPA

### **5. Appendices**

#### **5.1 Links to Profiles**
